

The image shows a close-up of a mechanical pump assembly mounted within a yellow metal frame. A large, dark grey flexible hose is connected to the top of the pump, labeled 'SUCTION' in green text with a green arrow pointing to the connection. Below this, a smaller metal pipe is connected to the side of the pump, labeled 'PRESSURE' in red text with a red arrow pointing to the connection. The pump itself is a complex of metal parts, including a large circular flange and various bolts and fittings. The entire assembly is set against a dark, industrial background.
