

Kubota vs Exmark

- Back up to desired location

- Extend the lever

- Push down on the lever to dump

Easy Removal

Details

- Model numbers:
 - GCK60H-300Z (60" deck)
 - GCK72H-300Z (72" deck)
- 11.4 Bushel Capacity
- Dump-From-Seat Lever
 - Extends & retracts benefiting both leverage & storage
- Compact Design
 - Limits tail-swing, preventing damage to fences, trees, etc.
- Easy On/Off
 - allows single operators to attach or remove the catcher with little effort
- Extendable Hopper Leg-Stands
 - Provide easy on/off applications, even for a single operator, and allow the investment to be stored off the ground
- See the “Build Your Own” feature on *Kubota.com* for more details on compatible models, other parts required, etc.
