L2130 LEVEL INDICATOR KIT (7J272-92011)
for KUBOTA FRONT LOADER LA463 / LA703
MX2140 LEVEL INDICATOR KIT (7J276-92011)
for KUBOTA FRONT LOADER LA844

■ Tractor Preparation

Locate the tractor on a firm level surface and lower the boom. Stop the engine and set the parking brake.

■ Installation Instructions

1. Remove two original pins from the boom (RH).

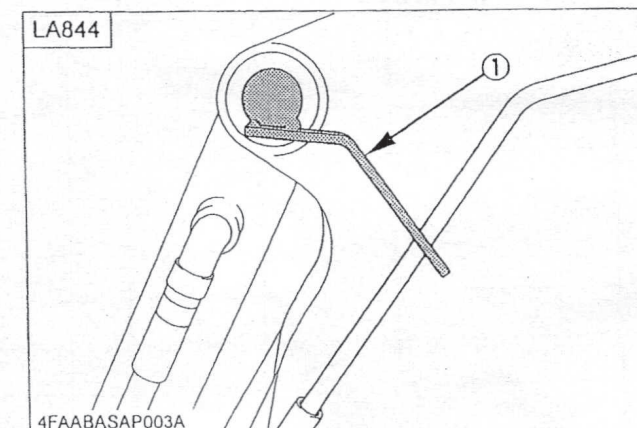

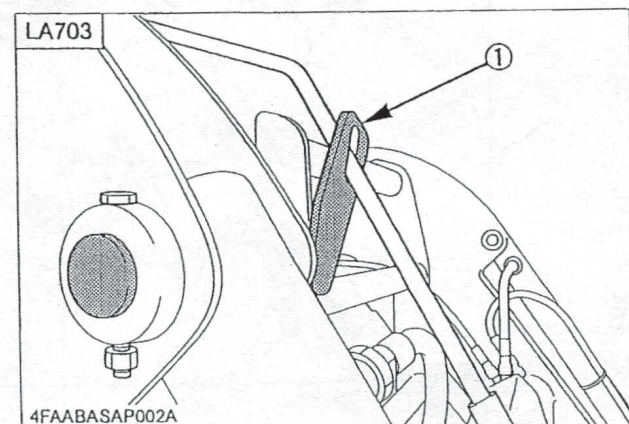

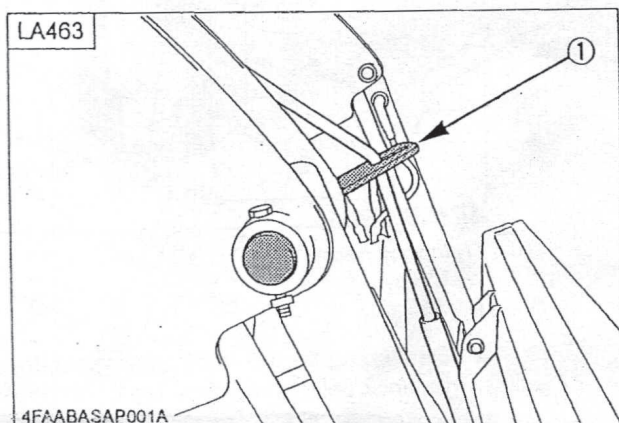

(1) Original pin

2. Install PIN 2 and PIN 8 to the boom (RH).

IMPORTANT :

- Make sure the plate of PIN 2 is fitted in its specified direction, as shown below.

(1) PIN 2
